LimeLight TV

A path to reflect

ASTEROID MEDIA

Established in 2005 Asteroid Media has been offering one stop solution for all online and offline advertising and marketing needs of our customers for over a decade. It should be no surprise that we have been recognised as one of the fastest growing and most experienced advertising agencies in kerala. By walking with our clients through every stepping stone to their journey of success and development, we have gathered a vast knowledge base on the market.

Discover your marketing

From Billboards and ad roll to television, radio, print and digital media, we will ensure your brand recognised. We have a team of media professionals with over two decades of cross industry media buying experiences. We will provide recommendations based on proven concepts.

We also study market trends to deliver the best options for our new techno savvy world. We are the original media specialists with more than 16 years' experience. We provide strategy planning and buying for marketers to create valuable partnerships that always pushes the potential of creative and communication further.

Our services

We will help you to place ads where your buyers live and play. You will get the best media space in affordable price for your campaigns, ad spend and attribution needs by working with our media buying team. Through our relationships and reputation we aggregate media options at lower costs than going directly to the broadcaster / publisher. We guarantee it. Your custom media buying plan will align with all of your internal growth role and also deliver unique and new options that come only from working with multiple layers of relationship.

LimeLight TV
